

St Katherine's Church of England Primary School Admissions Policy Statement for 2027/2028

This statement is our Admissions Policy and supersedes any previous statements issued.

Attending the St Katherine's Nursery does not guarantee your child being offered a place in the Reception Class and it is important that parents complete the LA application form in the October prior to the following September intake into the Reception Class. In addition, a Supplementary Information Form (SIF) supplied by the school should be completed and returned to the Head teacher no later than 31st January 2027. The School will be happy to assist parents in completing any relevant paperwork.

The number intended to admit each year is 30. In the event of oversubscription, a waiting list will be maintained. *Waiting lists for all year groups are held strictly in the order of the admissions criteria.*

The school will admit children into Reception in the September following their fourth birthday. Parents who wish to delay the admission of their child until later in the Reception year may request this. Parents can request that their child attends part time until the child reaches compulsory school age (part-time would be mornings only). The child would start at the beginning of a new School term. Further details if required are available from the School.

Parents applying for a place at the school for their children, in any year group, would be expected to support the ethos of the school which is founded on Christian values and practice.

The Governors see great value in pupils attending a nursery setting which places a high emphasis on a strong moral code and the partnership approach of parents.

All applications for a place at St. Katherine's must be supported by a Supplementary Information Form, which should be sent directly to the school.

Where there are too many applications for places available, the following criteria will be applied by the Governors' Admissions Panel, in the order set out below, to decide which children to admit.

For information on Summer-Born children and children with an Education, Health and Care Plan (EHCP) please see the Primary Education in Essex 2025/2026 booklet.

- 1) "Looked After" Children and previously looked after children (as defined in the Primary Education in Essex 2027/2028 booklet) with a recommendation by a Christian Minister. B. Applicants not normally resident on Canvey Island will be admitted in the same order as above.

For consideration under criteria A and B this school requires a Supplementary Information Form to be completed. Please contact or visit the school office for a Supplementary Information Form.

Notes on Admissions Policy Statement

Note 1

'Looked After Children' are as defined in the Primary Education in Essex 2027/2028 booklet.

Note 2

An appropriate Christian minister is the Minister in Charge of the worshipping congregation to which the child's parents belong. If the congregation has currently no full-time minister, a letter may be obtained from a duly authorised warden of the Church or the person who normally leads the services. In this case the letter would need to be on headed stationery belonging to that Church. The Minister or duly authorised person would be expected to confirm that the parents of the child have been active participants in the life and worship of the congregation over a period of six months or more.

Note 3

A sibling is the brother or sister of a child who is expected still to be attending St Katherine's School when the sibling is admitted. A sibling could be full, half or step sister or brother living in the same or different household as the older brother or sister.

Note 4

The distance is determined by the local Authority's online measuring system.
